

MAKING SCHOOL LUNCHES - LOVE IT OR HATE IT?

Planet Box Lunchbox with Sausage and Baked Cauliflower

One of Chef Dom's lunches from a week ago:

- Roasted Cauliflower
- Grapes & Feijoas
- Sausages & Lettuce (Free range organic beef meat)
- Tomatoes
- Home-made Mayo
- Chocolate Bliss Ball

Wondering who else has been enjoying not having to make school lunch boxes this holidays? I kind of have a love-hate relationship with them. On the one hand I've worked out what works and what doesn't (for the moment at least) and, because we've been eating 95% real food without packages for over a year, the actual putting together of a real food lunch box is not taking so much time.
